DEAR CHUCK E...

When we showed up the place was spotless, the salad bar was fresh and looked appetizing (and was), the lady who stamped us and took our order (I'm very bad with names) was so nice. The pizza was fresh! Whoever came out dressed as Chuck E. let our innocent little 3 year old and 2 year old hold him hostage, taking him (or her?) by the hand and dragging him around the restaurant, showing him everything they'd discovered. I have to say, this was one of our best family restaurant experiences. Thank you to this store for knocking it out of the park. I hope this info makes it to that store. They really deserve kudos.

I got there a little before opening and sadly the doors were locked. I then saw the manager come out and open the door. The manager told me that he is opening the doors a little earlier and we are definitely welcome to come in! The fact that Jared opened the store 15 minutes early because we were waiting outside is amazing. Jared was kind enough to let us in, stamp us, and he even took our order and suggested a way better deal than I had! We ended up getting more games! On our way out we were helped by Marcela, she had a smile on her face the entire time and was really sweet to my daughter. This place has changed but in a good way. Tell Jared that him and his staff are top notch.

I scheduled a last minute birthday party for my son. He is obsessed with Chuck E. Cheese and picked it for his birthday lunch, so I scheduled it the night before. We wanted him to have a special day just for him. Lisa took care of us. She was AMAZING! My son still talks about how amazing it was. She went out of her way to make him feel special. It was literally the best day of his 3 year old life. Being the mom and watching him experience it, there is no better feeling. Nothing short of a perfect day. Thank you Lisa for everything.

I just wanted to say how great our experience was with the woman who was in charge of my daughter Maya's birthday party on Sunday, May 15 in Springfield, MA. She was attentive to our needs. Furthermore, our daughter and some of her friends have significant special needs and the employee handled the situation incredibly well and supported our daughter to have a wonderful birthday party experience. Many thanks!
